

Snyder **BLOCK**[™]

SOUND · LIGHT

Introducing Snyder Block, a flexible, high density, reinforced sound dampening, light blocking laminated vinyl fabric. As well as sound dampening applications, Snyder Block is flame resistant and contains anti-mildew, anti-fungal and antimicrobial agents. Applications include...

- ▶ **Noise Control Curtains**
 - ▶ **Wall and Floor Construction Applications**
 - ▶ **Portable Sound Blankets**
 - ▶ **Pipe and Ductwork Wrappings**
- ...and much more!
